#1

Modern Minimalist

Designed for those who value simplicity in their daily lives, our Modern Minimalist concept is a showcase of function and practicality, wrapped in a clean, modern yet sophisticated exterior.

#2

Classic Contemporary

Combining timeless aesthetics with a touch of modern technology, our Classic Contemporary concept brings beauty to every corner of your kitchen without sacrificing practicality.

#3
Urban

Catering to the needs of the city's young and driven, our Urban concept maximizes limited kitchen spaces with clever design choices and style that taps into the pulse of the latest trends.

#1
I - Shape

Also known as the Pullman Kitchen, the simple layout forms a straight line, so all kitchen utensils are placed on the same side. Best applied at residences with smaller spaces.

#2
L - Shape

A classic layout that links the sides of two kitchen cabinets to form the letter L, it allows an even spread of the kitchen utensils' placement, according to their grouping.

#3
U - Shape

A space-saving layout that connects three sides of the room by installing cabinets to the form the letter U, it maximizes the placement of kitchen utensils to a new level.

#4
Island

A luxurious layout where a stand-alone counter is placed in the center of the kitchen, the island serves as a table for preparing meals or a gathering area for family members or friends.
